

Tecnoform: The Italian RV Furniture Manufacturer

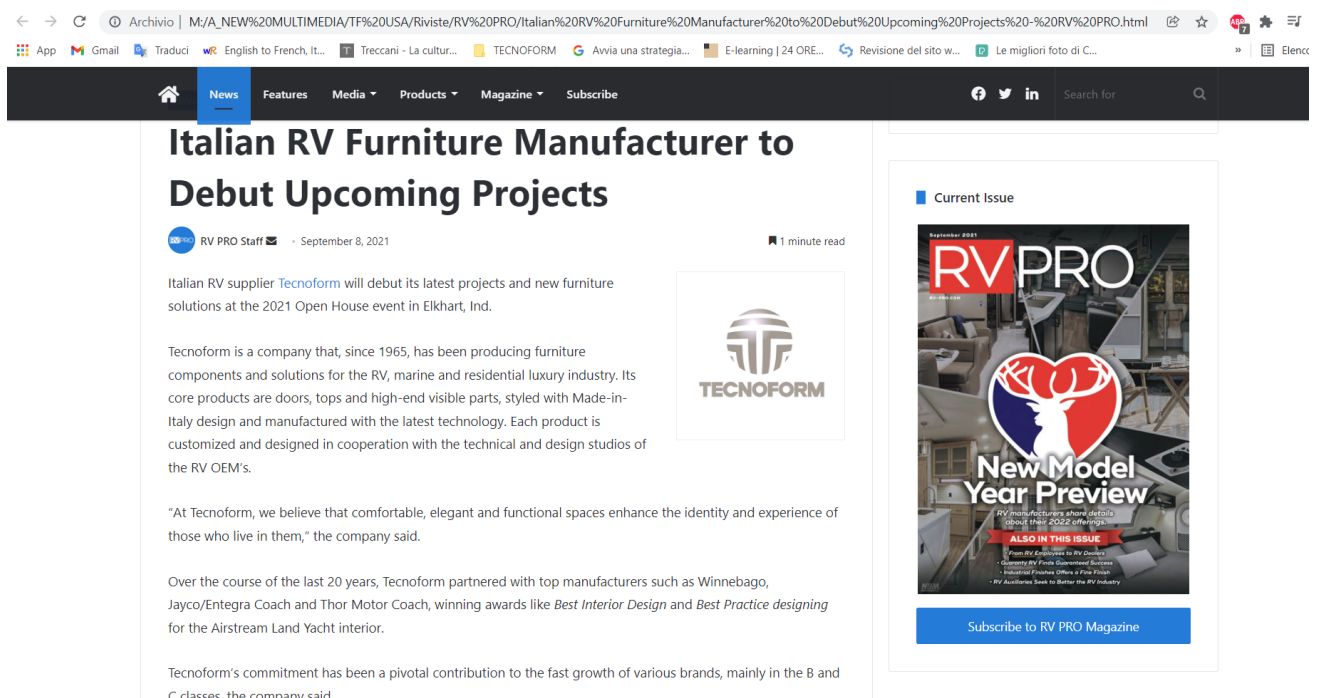

Tecnoform is an Italian company that, since 1965, has been producing furniture components and solutions for the RV, Marine and Residential Luxury industry. Its core products are doors, tops and high-end visible parts, styled with Made-in-Italy design and manufactured with the latest technology. Each product is customized and designed in cooperation with the technical and design studios of the RV OEM's. "At Tecnoform we believe that comfortable, elegant and functional spaces enhance the identity and experience of those who live in them".

Over the course of the last 20 years Tecnoform partnered with top tier manufacturers such as Winnebago, Jayco/Entegra Coach and Thor Motor Coach, winning awards like *Best Interior Design* and *Best Practice designing* for the Airstream Land Yacht interior.

Tecnoform commitment has been a pivotal contribution to the fast growth of various brands mainly in the B & C classes.

The Open House 2021 in Elkhart will show the latest projects combining the more distinctive trends with new furniture solutions.
